Heavy Duty Acrylic BOPP Packing Tape (2.7 Mil)	High-Tack Water-Based Acrylic	150,000 Rolls / Day	ISO9001 / ROHS / REACH

Heavy Duty Acrylic BOPP Packing Tape 2.7 Mil Thick Strong Adhesive Packaging Tape for Carton Sealing (48mm x 60m)

Heavy Duty Acrylic BOPP Packing Tape is a premium industrial-grade clear packing tape for heavy duty carton sealing. Featuring a 2.7 mil thick BOPP film (68 microns) and high-tack pressure-sensitive water-based acrylic adhesive, this strong adhesive packaging tape provides high tensile strength, anti-tearing durability, and waterproof seal for heavy shipping boxes and export freight. Manufactured by Krytape in Dongguan, China, we support custom printed logo BOPP packing tape and wholesale clear packaging tape in bulk with global shipping.

TECHNICAL SPECIFICATIONS & PERFORMANCE

Brand Name	Krytape	Product Category	Heavy Duty BOPP / Clear OPP Packaging Tape
Backing Material	Premium BOPP Film	Adhesive Type	High-Tack Water-Based Acrylic Adhesive
Total Thickness	2.7 Mil Thick (68 Microns / 68µm)	Standard Width	48mm (1.88 Inches / 2 Inches)
Standard Length	60m / 65 Yards (Custom up to 1000m Jumbo)	Core Size	3 Inch Paper Core (76mm)
Tensile Strength	≥ 110 N / 25mm (Anti-Tear)	Adhesion Strength	≥ 7.5 N / 25mm (180° Peel Adhesion)
Color Options	Super Clear, Tan, Brown, Custom	Customization	Custom Printed Logo & Core Branding
Factory Location	Dongguan, Guangdong, China	Country of Origin	Made in China

KEY PERFORMANCE ADVANTAGES

- Heavy-Duty Sealing Hold:** 2.7 mil (68µm) thick BOPP backing with high-tack acrylic adhesive engineered for export shipping cartons.
- High Tensile & Anti-Tear Strength:** Tensile strength ≥ 110 N/25mm prevents splitting and snapping under heavy-duty stress.
- Superior Peel Adhesion:** High tack 180° peel adhesion ≥ 7.5 N/25mm provides instant, moisture-resistant bonding.

OEM & DIRECT FACTORY CAPABILITIES

- High-Volume Supply:** Production capacity of 150,000 rolls per day ensuring steady global B2B supply chains.
- Full Customization:** Custom printed logos, customized paper cores (76mm), and custom outer carton options.
- Jumbo Roll Converting:** Finished rolls (48mm x 60m) and jumbo rolls up to 1000m length for slitting.

Notice: The values listed above are representative average test results obtained under controlled laboratory conditions and are intended as a technical reference guide for standard B2B applications.
